# USA Patriot Act: Identity VERIFICATION Notice

On October 26, 2001, the USA Patriot Act was signed into law. Its purpose is to help the government fight the funding of terrorism and money laundering activities. This Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account or has signatory rights to an account.

What this means for you: The credit union will ask for your name, address, date of birth and other information that will allow the credit union to identify you. The credit union may ask to see your driver's license or other identifying documents.

If you are an existing member who joined the credit union before the USA Patriot Act rule became effective, we will also need to verify and retain copies of any documents used to verify your identity when you request a new deposit account, apply for a loan, or are added as a signatory to a new or existing deposit or loan account.

We ask for your understanding as we work to support these efforts to maintain the security of your funds and our country. Please speak with a credit union staff member if you have any questions or concerns about our identification policies. You can also refer to our Privacy Notice published online at [www.frecu.org](http://www.frecu.org).

## Annual Notice Regarding Non-VISA® PIN-less Debit Transactions

You may use your VISA® debit card to initiate both VISA® debit transactions and non-VISA® debit transactions without using a personal identification number (PIN) to authenticate the transactions.

To initiate a VISA® debit transaction, you may sign a receipt, provide a card number or swipe your card through a point-of-sale (POS) terminal and choose to route the transaction over a VISA® network.

To initiate a non-VISA® debit transaction, you may enter a PIN at a point-of-sale terminal or, for certain bill payment transactions, provide the account number for an e-commerce or mail/telephone order transaction after clearly

indicating a preference to route it as a non-VISA® transaction. We have enabled non-VISA® debit transaction processing on all of the networks of which we are members.

The rights and protections applicable only to VISA® debit transactions, including consumer liability limits and streamlined error resolution procedures, as described in your Electronic Funds Transfers (EFT) Agreement and Disclosure, will not apply to transactions processed through non-VISA® networks.

Please contact the credit union with any questions you may have regarding this disclosure.
